

Fastener Kits >>

The fastener kit is convenient, easy to carry & allows you to have your most commonly used fasteners on hand in one handy location. The fastener kit is refillable and is compartmentalised to hold a great selection of over 1000 quality fasteners.

Features

- » Selection of over 1000 quality fasteners
- » 25 refillable compartments for easy access
- » Versatile case with removable sections
- » Compartments can be easily increased in size
- » Clear robust lockable lid, locks all compartments in place & stops contents mixing
- » Designed for organising small components such as hardware etc

Applications

- » Plasterboard
- » Brackets
- » Saddle clamps
- » Fences & gates
- » Masonry
- » Electrical fittings
- » Light fittings
- » Light gauge metal
- » Timber
- » Shelving
