

Convenient & Safe solution for most Metering Applications

NEW

Introducing the Heinelec Indoor Group Metering Panel Range. Our range of Indoor Group Metering Panels provide a cost effective means of monitoring power use. The Heinelec range of Metering Panels are prewired and pre configured making Installation fast, convenient and space saving. All Heinelec Metering Panels have been designed to meet and exceed the installaion requirements of the Electrical Contractor. They allow for a convenient and safe solution for metering in most Domestic and Commercial applications. We can also provide a full range of IP 66 Rated Outdoor versions customised to your requirements.
